

## **Vulcan Utility Signs Extends Contract with Enterprise Products Partners L.P.**

Vulcan Utility Signs, Foley, Alabama

August 30, 2010

Vulcan Utility Signs has been the marking vendor of choice for Enterprise Products Partners L.P. (EPPLP) for a number of years. The long-standing relationship was re-affirmed in late May when the current contract was extended with Vulcan for an additional three years.

EPPLP is in the early stages of re-branding its Teppco assets, for which Vulcan Utility Signs will manufacture the signage. They are also collaborating with Vulcan to develop a strategic re-branding plan of action for other EPPLP assets including Enterprise Products, Enterprise Crude and Dixie Pipeline.
