

## VULCAN BULLET MARKERS

The Vulcan Bullet Marker provides a 360° warning message that is sure to demand attention. Various color combinations of bullet heads and poly posts can specify water, sewer, gas, petroleum or fiber optic lines below, while also complimenting your company's colors. The bullet head and post are manufactured from specially formulated, UV protected High Density Polyethylene (HDPE), which makes Vulcan Bullet Markers the ultimate choice for outdoor durability. Multiple anchor options are also available for this product to ensure maximum stability.
