

# MAKE YOUR VULCAN BENEFITS WORK FOR YOU

## 2022 BENEFIT HIGHLIGHTS GUIDE

### ABOUT ENROLLMENT

#### DO I NEED TO ENROLL?

There are great reasons to take a close look at all the benefits and options Vulcan, Inc. offers you, even if you're already covered under a BlueCross BlueShield of Alabama benefit plan(s). For instance, your needs may change from year to year, and there likely will be changes to what you pay for coverage each year. If you don't enroll, you may not have the best option for your individual and family needs.

You must enroll if you want to:

- Change your medical, dental, or vision coverage for next year
- Contribute to a Health Savings Account (HSA)
- Change your additional benefit choices

Even if you don't want to make any changes to your benefits, you will be required to sign off on them.

For more information, contact the HR Department at [251-972-1330](tel:251-972-1330).

#### WHEN CAN I ENROLL?

As a benefits-eligible employee, you can enroll in or change your benefit plans during our annual benefits enrollment period. This year Annual Enrollment will be held November 1, 2021 through November 30, 2021.

- **Enroll through Paycor:** The system will guide you through your current benefits and will give you the opportunity to make changes.
- **Enroll with a Counselor:** Vulcan will have a benefit counselor on-site to answer any benefit questions and assist you with your benefits decisions. **This option is only available November 1st through November 12th and by appointment only.**

The benefit choices you make will be effective from January 1, 2022 through December 31, 2022.

As a new employee, you can enroll on your date of hire. Benefits will be effective once you have met your designated waiting period. Coverage will remain in effect until the end of the current plan year.

#### WHO CAN I COVER?

You can enroll yourself and your eligible dependents in medical, dental, vision and/or supplemental benefits. Eligible dependents include your:

- Legal Spouse
- Child(ren) up to age 26 regardless of marital or student status.
- Unmarried child(ren) of any age who can't support themselves due to a disability and who are totally dependent on you.

**Proof of eligibility is required (i.e. birth certificate, marriage license, etc.).**

#### WHAT IF THINGS CHANGE?

You can't change your coverage during the plan year unless you have a qualified life event. You must make any eligible changes within 30 days of the event. Qualified life events include, but are not limited to:

- Marriage, legal separation, or divorce
- Birth or legal adoption of a child
- Death of your spouse, or a dependent child
- Change in employment status of spouse

After a qualified event, your new coverage options will be effective on the day of the event.

#### NEW FOR 2022!

- Accident, Critical Illness & Hospital Indemnity plans are moving from UNUM to Aetna.
- Prescription drugs will be administered by MedOne.
  - Rx payment tiers will remain the same.
  - You will receive new ID cards.
- \$8 per week nicotine surcharge for nicotine users.
  - Nicotine users may complete the clinically proven "Quit for Life" telephonic counseling program to qualify as non-nicotine users. Contact HR for complete information.

# INCOME PROTECTION BENEFITS

# ADDITIONAL BENEFITS

Vulcan offers a variety of plans to provide replacement income for you or your beneficiaries in the event of a disability, accident or death.

## BASIC LIFE AND AD&D

Vulcan provides you with basic life insurance and accidental death and dismemberment (AD&D) at no cost to you.

## VOLUNTARY LIFE AND AD&D

You can purchase supplemental life insurance for yourself, your spouse, and your child(ren). Your needs depend on your personal situation (other income, monthly expenses, short- and long- term debt, etc. NOTE: To purchase supplemental coverage for your spouse or child(ren), you must enroll in employee coverage.

## SICK & ACCIDENT BENEFITS

Vulcan offers all full-time, regular employees Sick and Accident benefits (S&A) for injuries and illnesses that are not job related. S&A benefits begin after you are absent 40 consecutive working hours or after all accumulated paid vacation time is exhausted.

The benefit runs for a period of up to 320 scheduled working hours (8 weeks) for any one illness/injury per calendar year. This benefit is, in effect, an employer-paid Short-Term Disability policy.

## LONG TERM DISABILITY

Voluntary LTD: This benefit pays a portion of your income if you continue to be disabled and your short-term disability benefits end. To qualify, you must be disabled for 90 days.

LTD benefits provide you with 60% of your annual base pay up to a \$6,000 monthly maximum. You may purchase this insurance on a payroll deduct basis.

## HEALTH SAVINGS ACCOUNT (HSA)

If you are enrolled in a high-deductible health plan (HDHP) and not enrolled in another non-HDHP or FSA, you are also eligible to contribute on a pre-tax basis to an HSA. As a reminder, Vulcan contributes \$520 annually (\$10 per week) if enrolled in the HDHP.

You can use your HSA for eligible out-of-pocket healthcare expenses or choose to pay out-of-pocket instead and let your HSA balance grow over time. It works like a personal savings account, but with more advantages.

Not only do you contribute pre-tax money, but funds in your account grow tax-free and you can use your HSA to pay for eligible health care expenses tax-free. Bottom line, you save money in three ways with an HSA.
